

Calling All Volunteers!

Save the Date:

Thu-Sun, April 21-24, 2022 · Amherst, MA

We are looking for enthusiastic adults (18+) to help make Fitting For The Future 2022 a magical time for our foster care youth who will be attending the event. Anyone with an interest in helping to make the magic happen—from pre-event setup, to day-of activities, to event breakdown—is encouraged to fill out our volunteer form at

helpourkidsinc.org/volunteer

We have plenty of roles for our volunteers, including but not limited to:

- Helping with pre-event setup and staging the day before the event; helping with post-event breakdown and packing the day after the event.
- Working as a “personal shopper” to help guide youths through the event, help them decide on clothes and accessories, etc.
- Assisting with registration and check-out tasks.
- Assisting during the event to help keep clothes racks and accessory stations tidy and restocked.
- Sewing/alterations—can you sew, have a machine, and don’t mind light alteration tasks? Join our team of talented sewists to assist during the event!

Lunch is provided to all volunteers on Sat Apr 23!
